

2010-2011 Business Sponsorships

Students Need an Alternate Party is a group of concerned parents and community members working with the Spring-Ford Education Foundation in an effort to provide a spectacular post-prom event for all Spring-Ford juniors and seniors, whether or not they attend the prom. This is not just about a post prom party. **It is about the safety of our children and our community.**

Prom night is statistically the most dangerous night of the year for high school students. All Spring-Ford juniors, seniors and their dates are eligible to attend the post prom free of charge. The post prom party involves over 1500 community members including students, volunteers and parents.

Our greatest challenge is meeting our fundraising goal of **\$36,000**. In years past, activities for the students have included: laser tag, arcade games, hypnotist shows, magic & balloon shows, karaoke, movies, arts & crafts, caricaturists, inflatables, volleyball, basketball, and prizes. This year's theme, *Viva Las Vegas*, is developing to transform the school into a magical celebration. Decorations and activities are centered on this theme to give the students a great experience that does not include alcohol or drugs. You can help us by contributing monetary donations as well as raffle prize donations. **Donations are tax deductible.**
